- No radioactive waste
- No hazardous waste or PCBs
- No chemicals and no empty "P" listed chemical containers
- No infectious, biological or pharmaceutical waste

Need help?

Sponsored by the Risk Reduction and
Environmental Stewardship Division

Compliance Depends on Your Involvement!

Questions?

- Contact RRES-SWRC for RCRA & PCB compliance questions: 667-0666 or check swrc.lanl.gov
- Contact your Waste Management Coordinator (WMC): fwo-swo.lanl.gov/wmc/contacts.htm
- Find out all you need to know about waste & recycling at: <http://int.lanl.gov/recycle>
- Find pollution prevention information at p2.lanl.gov
- For disposal of controlled documents email: burn-it@lanl.gov

What else can you do?

- Invite your WMC to brief your group quarterly
- Discuss RCRA at Nested Safety & Group meetings
- Make sure hazardous waste containers are closed and properly labeled
- Buy only what you need & buy recycled!
